OAMCTE SCHOLARSHIP

The Oklahoma Association of Minorities in Career and Technology Education (OAMCTE) believes that educating young people in career and technology education is a positive step in providing role models for future generations of youth. As we continue to focus on education, our efforts turn to an important aspect of our organization – scholarship.

One of the goals of our scholarship program is to provide assistance to deserving minority students who plan to further their education through *CareerTech*. In so doing, we are offering two (2) **Renae Washington-Lorine DuBose Memorial Scholarships** in the amount of **\$1,000 each**. We believe that this is one small way of helping to make this dream a reality for individuals who can become positive role models for others.

Applicants for the scholarship must plan to enroll in a full-time program at an Oklahoma Career and Technology Center or as a full time student in an accredited institution of higher learning for the Fall Semester of 2017 and the Spring Semester of 2018. The recipients must provide proof of enrollment prior to receiving the awards. After proof of enrollment is provided, the scholarship funds will be made available to the recipients chosen career and technology center or institution of higher learning. The student will then receive the full scholarship amount during the first semester, upon enrollment. Scholarship proceeds must be used to assist with the cost of tuition, fees, books, and/or tools. If a scholarship recipient does not complete his or her course of study, the remaining proceeds will be returned to the donor, namely the Oklahoma Association of Minorities in Career and Technology Education or the Oklahoma Career Tech Foundation.

Selection of the Scholarship recipients will be based on financial need, and the ability to benefit. Applications **must be post marked no later than Friday, May 12, 2017**. Scholarship winners will be contacted no later than Friday June 16th. *Recipients will be asked to attend the Career & Technology Summer Conference, Opening General Session, on Tuesday, August 1 @ 10 a.m., where they will be presented with their award.*

Enclosed is the application form, which may be duplicated as needed. Please give the form to students who meet the qualifications. Your help is vital in making this effort a successful one. If you have questions, please contact me at 918.828-5448. Send completed applications to the OAMCTE Scholarship Committee, Attn: Rana McVay, Tulsa Technology Training Center, 3638 S. Memorial, Tulsa, OK 74147. Thank you.
