

Edison Preparatory Middle School Summer Reading 2018

7th Grade Community

It is strongly suggested that all Edison Preparatory Middle School students turn in four Summer Reading Projects. Reading and writing during the summer helps students to stay on top of their skills and be reading for a new school year. The book lists and projects are listed below.

Each project is worth 100 points

- Project #1 points will be put in PowerSchool at the end of 1st quarter
- Project #2 points will be put in PowerSchool at the end of 2nd quarter
- Project #3 points will be put in PowerSchool at the end of 3rd quarter
- Project #4 points will be put in PowerSchool at the end of 4th quarter

Project #1 - *Cinder* by Marissa Meyer

Read the book *Cinder* and complete the activities below:

1. Write or type at least one page detailing how the story would be different if it were in the future or in the past. Title it Future or Past.

3 More Books

3 More Projects

1. Create a Double Entry Journal. Divide your page in the center from the top to the bottom. On the left side of the page, write 15 direct quotes from the book including the page number. On the right side of the page, write your reflections or thoughts about each of the quotes.
2. Create a Time Line with at least 15 events that occurred in the book. It must be chronological (in order of time).
3. Create a Venn Diagram to show similarities and differences in traits of the main character and yourself. You must have at least 10 entries per section of the Venn diagram.
4. Create a Movie Poster for the book. It should include the following, but can include more: title of book, main characters, something from the setting, a hint of the plot, and pictures.

All four projects should be:

- ✓ On one piece of paper (for each report) with your name in the top right corner.
- ✓ In ONE manila envelope and labeled in the top right corner with: your name & book titles
