# DUAL CREDIT TO COLLEGE DEGREE

Earn College Credit In High School

# Concurrent Success Looks Like...

Finishing a post-secondary degree at a higher rate than non-concurrent students

Graduating from high school at a higher rate than non-concurrent students

Passing 97% of their College courses

Developing college readiness skills

# Attending TCC while in High School leads to...

Developing  
time management  
skills

Learning how to  
advocate for  
yourself

Persisting in  
reaching your  
goals

Reducing  
time in college

# Dual Enrollment is...

Taking  
courses at a  
TCC campus,  
online, or  
embedded in  
your high  
school

Earning  
college  
credits while  
still attending  
high school

Fulfilling  
high school  
graduation  
requirements  
and building  
a college  
transcript

Graduating  
high school  
with up to 30  
or more  
college  
credits

# Understanding the differences between College and High School

Email/Blackboard

Study more  
outside of  
classroom

Fewer  
assessments

Put together own  
dream team

Critical thinking  
encouraged even  
more

Time

Advocate for  
yourself

Optional versus  
Mandatory
